

ECMG CREATIVE STUDIOS AND TNT COLLECTIVE PRESENT CAHNARTIST: THE EXHIBIT (BROOKLYN PREMIERE)

Brooklyn, NY (July 1, 2015) — On July 8th through 10th one of the entertainment industry's newest commercial artists and illustrators Harvey Cahn of CahnArtist Media will premiere his art showcase entitled *CAHNARTIST: The Exhibit* in New York City's Tech Triangle, Brooklyn Heights.

Harvey Cahn, Jr. is a professional artist illustrator from Donaldsville, Louisiana who has worked with celebrities and recording artists: Destiny's Child, Roberta Flack, Lady Gaga, Tamir "Nokio" Ruffin (Dru Hill), Germany singer/songwriter Paul Cless, R&B singer David Correy, Rappers: The Game and Sharaya J; actor: Samuel B. Banta; professional models: Jazmin Ivy Rodriguez & Clarissa DeJesus, and more.

When asked about the exhibition Harvey relents, "I am humbled, in awe, and let's be honest (while throwing his head back) I AM TOTALLY AMPED! I can hardly contain myself." The native Louisianan admits that while he's worked hard over the years, to have his work on display *this* way is a testament that dreams do come true. "It's true, it really isn't about "arriving", but the journey and THIS has been amazing."

Presented by partners ECMG Creative Studios and TNT Collective, the event is positioned alongside the 15th Annual Hip-Hop Festival, headlining music industry favorites Academy Award Winning Artist® Common, Mobb Deep and more. The event's premise is to celebrate the culture of Hip-Hop and the fields that connect them to its global audience. CAHNARTIST: The Exhibit is an event that celebrates Hip-Hop Music through illustration and prolific design.

"Deciding to partner with and feature CahnArtist to showcase his work as a standalone was a win for all involved. From intricate design to flawless execution Harvey's brings his own brand of artistry that is quite unique and always sparks a conversation. That is the definition of a true artist", says Tonia Weiters, ECMG Creative Studios Creative Director.

Tanya Cruz of TNT Collective comments, "CahnArtist's work is forward thinking and on trend even with current events that impact the community at large; be it, police brutality, politics or celebrity gossip. Then he can immediately pivot into escaping into a world of fantasy pin-up girls, celebrity portraits and a little something for gamers and comic-book enthusiasts.

The three night art exhibit will be held at the Brownstone Bar & Restaurant located at 277 Gold Street Brooklyn, New York 11201. Doors open at 6 p.m. transforming happy hour into Harvey-hour times four. Special invited guests include CahnArtist enthusiasts, industry professionals and local artists. Professional model Jasmin Ivy Rodriguez (as seen in Maxim Magazine and others) will be on hand, and an introspective interview/presentation will be conducted on premises with a live audience and more surprises are in the works.
